

Introduction from the Captain

It was a privilege to have been the Captain during 2016 and to have participated in many of the outings on some of Scotland's finest golf courses, including yet again a great weekend away to two of my favourite courses, The Nairn Golf Club and Castle Stuart Golf Club.

In 2017 season we will continue our Monthly Medal at Deeside and Stableford Competitions at some of Scotland's finest links and parkland courses.

2016 saw the rebirth of the Kippie Ladies and, although it has been in operation for most of the season, I and the Committee would like to welcome the Ladies wholeheartedly into the Association. The additional 45 Ladies brings our total membership to an impressive 130 players and I wish them all the best for the 2017 season.

We are looking forward to more great golf on great courses again this year.

Regards

Andrew Mackay, Captain Kippie Golfers 2016

Aberdeen Petroleum Club Golf Association (APCGA)

APCGA is a golfing society for members of Kippie Lodge. Established in 1976 by a group of golfers enthusiasts to encourage and promote the game of golf among a number of Kippie members by arranging golf competitions, inter-club matches and outings to some of the best golf courses in North East Scotland. We have full affiliation to the Scottish Golf allowing us to allocate and maintain handicaps.

Our aims are to offer a warm and personal welcome to new members and provide opportunities for all our members:

- to hold Scottish Golf Membership & Handicap
- to participate in our club competitions to play friendly and competitive golf in a spirit of fellowship.

APCGA is organised in two sections, ladies and gentlemen, each section is responsible for their respective membership, competitions and to allocate and maintain handicaps.

Kippie Men's Golf:

Our members enjoy discounted green fees when playing regular monthly medals at Deeside Golf Club and outings at some of Scotland's finest links and parkland golf courses. We also organise singles, Greensomes and Club Championship matchplay competitions with the finals played at Deeside Golf Club. Our end of year activities culminates in Scotland v Rest of the World match, played at Deeside, and prize giving dinner at Kippie. For more information please contact:

bob.talbott@btinternet.com

Kippie Ladies' Golf:

In July 2016 the Kippie ladies golf section was resurrected after interest was noted from a few Kippie members. We now have 45 lady members, some complete beginners and some more experienced who are members at other clubs in the area. Since July 26 ladies have gained a handicap playing on our beautiful 9 hole golf course which is now accredited for competition golf. The ladies play each Wednesday and Saturday. During the golfing season we will be playing two Handicap Qualifying Competitions each month. All other competitions will be played for fun.

The emphasis is definitely on fun and social golf and we welcome all lady members of Kippie. It's great exercise in a stunning location, chance to meet new friends and develop a new skill. For more information please contact
